Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Sunday 09 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Pleasant sunny spells Sunday, once any rain dies out.

Today:
Cloud and any intermittent rain will turn light and patchy and die out through the morning. Then brighter for most areas, but with a few showers following, especially across the Pennines. Feeling pleasant in the sunnier east. Rather breezy. Maximum temperature 17 deg C (63 deg F).

Tonight:
Evening showers dying out with some clear spells developing, although rather cloudy across some parts of the region. Winds decreasing light.. Minimum temperature 3 deg C (37 deg F).

Monday:
After a bright and mainly dry start showers will develop by afternoon and turn quite heavy, with a chance of hail and thunder. Breezy by afternoon. Drier through the evening. Maximum temperature 16 deg C (61 deg F).

Outlook for Tuesday to Thursday:
Often sunny with scattered showers developing each day, these sometimes heavy and perhaps thundery. Feeling pleasant in sunnier weather.Mainly dry if rather cool each night.
